IMPORTANT SAFEGUARDS

Warning: When the hair dryer is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the hair dryer is switched off.

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING

KEEP AWAY FROM WATER

DANGER – As with most electrical appliances, electrical parts are electrically live even when the switch is off.

To reduce the risk of death by electric shock:

- Always unplug it immediately after using.
- Do not place or store an appliance where it can fall or be pulled into a bath or sink.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

- Do not place or drop into water or other liquid.
- If an appliance falls into water, “unplug it” immediately.
Do not reach into the water.

For additional protection, the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit supplying the bathroom. Ask your electrical contractor for advice.

WARNING – TO REDUCE THE RISK OF BURNS, ELECTROCUTION, AND FIRE, OR INJURY TO PERSONS.

- An appliance should never be left unattended when plugged in to a power outlet.
- The appliance must be switched off at all times other than when actually being used to dry hair.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given close supervision or instruction concerning use of the appliance by a person responsible for their safety.

- This appliance is not a toy. Children should be supervised to ensure they do not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by Remington.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agents or similarly qualified persons in order to avoid a hazard.
- Never block the air openings of this hair dryer or place it on a soft surface, such as a bed or couch, where the air openings may become blocked. Keep the air openings free of lint, fluff and hair.
- Do not use on people who are sleeping.
- Never drop or insert any object into any opening of this appliance.
- Do not use outdoors or where aerosol (spray) products are being used or where oxygen is being administered.
- Do not direct hot air towards the eyes or other heat sensitive areas.
- Attachments, where provided, may be hot during and after use. Allow them to cool before handling.
- When using the appliance, keep your hair away from the air inlet grille. Do not let your hair get drawn into the appliance.
- This appliance is not recommended for use on heavily treated/bleached hair, synthetic wigs or hair extensions.

SAVE THESE INSTRUCTIONS

AC9800AU PROLUXE YOU ADAPTIVE HAIRDRYER USE AND CARE INSTRUCTION MANUAL

Thank you for purchasing your Remington® PROluxe You Adaptive Hairdryer, with Intelligent StyleAdapt™ Technology for Personalised Styling, Just For You.

KEY PARTS

1. Outlet grille with advanced ceramic coating
2. StyleAdapt sensor
3. Display
4. StyleAdapt indicator
5. Removable inlet grille
6. Hang up loop/cord storage
7. Slim styling concentrator

8. Wide drying concentrator
9. Diffuser

Controls:

- ⏻ On/off switch
- ⊗ StyleAdapt button
- ⚙️ Speed selector button
- ❄️ True Cold shot on/off button

BASIC HAIR CARE INSTRUCTIONS

Featuring Intelligent StyleAdapt™ Technology, the PROluxe You Collection is designed to learn, adapt and personalise the heat to your unique hair.

- Wash and condition your hair as normal.
- Squeeze out excess moisture with a towel and comb through.

Note: This appliance is not recommended for use on synthetic wigs or hair extensions.

HOW TO USE THE PROLUXE YOU ADAPTIVE HAIRDRYER

1. Attach diffuser/concentrators by fitting them to the front of the hairdryer and twisting clockwise to lock (Fig. A). Take care when you do this because the attachments can become hot during use.

TIP: Holding the cool shot button for a few seconds before removing accessories can help to reduce their temperature.

2. Plug the product into the mains power supply.
3. Slide the on/off switch (ⓐ) to switch on.

STYLEADAPT™ MODE

1. When first switched on your dryer will be in StyleAdapt™ mode. The StyleAdapt™ indicator on the dryer handle will spin (Fig. B) and **Quick Dry** will be shown on the display.
2. Select the desired mode using the ⓑ button. Each press of the button will select a different mode. The mode will be shown on the display:

StyleAdapt™ Mode	Use for:	Recommended Accessory
Quick Dry	Fast drying	Wide Drying Concentrator
Style	Smoothing and shaping	Slim styling concentrator
Diffuse	Maintaining your curl's natural shape	Diffuser

3. Select the desired air speed using the speed selector (🌀) button. The hexagons on the display will show the selected air speed:

Setting	Speed
	Low
	Medium
	High

4. During styling the StyleAdapt™ indicator will spin (fig. B) indicating that your dryer is learning about your hair and adjusting the air temperature to a heat that is personalised to you. The temperature changes are not shown on the display but happen quickly and automatically during styling.

MANUAL MODE

Manual mode allows you to use your dryer in the same way as you would use a normal dryer.

1. Press the ⏻ button several times until the display shows Manual and the StyleAdapt™ indicator goes off. Note that in manual mode, your dryer will no longer be learning about your hair and adapting the heat.
2. Select the desired heat and speed setting using the speed selector (🌀) button. The hexagons on the display will show the selected setting.

Setting	Speed/Heat
	Low speed/low heat
	Medium speed/medium heat
	High speed/high heat

3. To re-activate StyleAdapt™ press the ⏻ button until one of the StyleAdapt™ modes is selected and the StyleAdapt™ indicator is illuminated.
4. After use, slide the (⏻) button to turn off and then unplug your dryer.

TERMS AND CONDITIONS:

1. Valid for purchases on Proluxe You collection only; including model AC9800AU, S9880AU and CI98X8AU.
2. Refund via cheque will only be provided once the Promotor receives; (1) The Product; (2) the original purchase receipt; and (3) the completed form attached to these terms and conditions.
3. Refund does not include postage costs for the return of the Product.
4. Returns should be made to:

For Australian residents:

TRUE COLD SHOT

To set your style with cold air, press and hold down the  button whilst drying.

MEMORY FUNCTION

Each time you use your dryer it will automatically set itself to the last mode and speed used.

TIPS

- To create smooth styles and shape use the slim styling concentrator and a round hair brush (not included) whilst drying.
- For fast drying use the highest speed setting and wide drying concentrator.
- To help maintain your curls natural shape use the lowest speed setting and diffuser attachment. Turn your head upside down and gently place your hair into the diffuser bowl slightly rotating the dryer as you style.
- To create extra volume at the roots of the hair, keep your head upright and place the diffuser against the top of your head. Gently rotate the hairdryer allowing the diffuser fingers to gently massage the scalp being careful not to burn the scalp. Dry gently on the low speed setting.
- **CAUTION:** Do not use the diffuser on the highest manual heat setting.

STORAGE, CLEANING AND MAINTENANCE

Let the appliance cool down before cleaning and storing away

- To maintain peak product performance and to prolong motor life, it is important to regularly remove any dust and dirt from the inlet grille.
- Remove the grille as shown (FIG B), clean with a cloth or soft brush, then replace it.

OVERHEAT PROTECTION

In the event of overheating, the appliance may either stop unexpectedly or start to blow cold air. Overheating is usually caused by a blocked grille/filter. If this happens, immediately unplug the appliance and refer to **STORAGE, CLEANING AND MAINTENANCE** to clean the grille/filter. If, after doing this overheating continues to happen, stop using the appliance and contact Customer Service.

DISPOSAL/RECYCLING

Legislation in some localities mandates that e-waste (anything with a plug, battery or cord) is disposed of through controlled recycling facilities and must not be disposed of in general household waste. For more information about recycling of electrical and battery operated appliances, please contact your local council or your local household waste disposal service.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

As with all electrical appliances, the power cord must be regularly checked for wear and tear. Immediately cease using this product if the power cord shows any signs of damage.

This product conforms to radio frequency interference requirements.
Any product purchased and used commercially carries a limited 90 Day Warranty.
We suggest you use local waste management centres to recycle this product at end of life.

Spectrum Brands Australia Pty Ltd and Spectrum Brands New Zealand Limited
WARRANTY AGAINST DEFECTS

In this warranty:

Australian Consumer Law means the Australian consumer law set out in Schedule 2 to the Competition and Consumer Act 2010;

CGA means the New Zealand Consumer Guarantees Act 1993;

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand, as the case may be;

Manufacturer, We or us means:

1. for Goods purchased in Australia, Spectrum Brands Australia Pty Ltd ACN, 007 070 573; or
2. for Goods purchased in New Zealand, Spectrum Brands New Zealand Limited, as the case may be, contact details as set out at the end of this warranty;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or in New Zealand; and

You means you, the original end-user purchaser of the Goods.

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, or the CGA. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Goods which the consumer has under either the Australian Consumer Law or the CGA. The original purchaser of the Goods is provided with the following Warranty subject to the Warranty Conditions:
3. We warrant the Goods for all parts defective in workmanship or materials for the period of five (5) years from the date of purchase (**Warranty Period**). If the Goods prove defective within the Warranty Period by reason of improper workmanship or material, we may, at our own discretion, repair or replace the Goods without charge.

Warranty Conditions

4. The Goods must be used in accordance with the manufacturer's instructions. This Warranty does not apply should the defect in or failure of the Goods be attributable to misuse, abuse, accident or non-observance of manufacturer's instructions on the part of the user. As far as the law permits, the manufacturer does not accept liability for any direct or consequential loss, damage or other expense caused by or arising out of any failure to use the Goods in accordance with the manufacturer's instructions.
5. Consumable parts (such as shaver heads, cutters and foils) of the Goods are included under this Warranty only where there is a defect in workmanship or materials used.
6. The warranty granted under clause 3 is limited to repair or replacement only.
7. Any parts of the Goods replaced during repairs or any product replaced remain the property of the manufacturer. In the event of the Goods being replaced during the Warranty Period, the warranty on the replacement Goods will expire on the same date as for the Warranty Period on the original Goods which are replaced.

8. In order to claim under the warranty granted under clause 3 you must:
 - (a) Retain this warranty with your receipt/proof of purchase; and
 - (b) Return the Goods to us at the relevant address below or to the Supplier by prepaid freight within the Warranty Period accompanied with (i) the legible and unmodified original proof of purchase, which clearly indicates the name and address of the Supplier, the date and place of purchase, the product name or other product serial number and (ii) this warranty.
9. This warranty is immediately void if:
 - (a) Any serial number or appliance plate is removed or defaced;
 - (b) The Goods have been serviced or otherwise repaired by a person not authorised to do so by us or where non approved replaced parts are used.
10. The Goods are designed for domestic use only. A limited 90-day Warranty applies to any industrial or commercial use of the Goods. The Goods must be connected to the electrical voltage requirements as specified in the ratings label located on the Goods.
11. This warranty does not cover the cost of claiming under the warranty or transport of the Goods to and from the Supplier or us.
12. This warranty is only valid and enforceable in Australia against Spectrum Brands Australia Pty Ltd and in New Zealand against Spectrum Brands New Zealand Limited.

Contact us or the Supplier for further details.
